OFFICE OF ATTORNEY-GENERAL

1956

June 16

NEW HAMPSHIRE STATE LIBRARY

SEP 22 1998

CONCORD, NH

Mr. Allan V. Evans
Deputy Director of Recreation
State House Annex
Concord, New Hampshire

Dear Sir:

You have requested our assistance in determining whether employees at the Aerial Tramway should receive sick leave and annual leave benefits for the overtime days that they work.

In accordance with the provisions of RSA 99:2b, trade employees regularly working forty-four hours per week have a standard work week of forty hours and the four hours per week is allowable in the form of overtime that is actually worked. It is the opinion of this office that sick leave and annual leave are determined on the basis of the standard work week as outlined by the Legislature.

Very truly yours,

Arthur E. Bean, Jr.
Assistant Attorney General

AEB,Jr/T
